

Respected Department,

The name of the proposed company shall be:

1. **"YASHODEEP EDUCATION & MENTORSHIP FOUNDATION"**
2. **"YASHODEEP PRATISHTHAN EDUCATION SUPPORT FOUNDATION"**

### **Name Significance:**

**The name YASHODEEP symbolizes "Illumination of Knowledge and Excellence"**

- "**YASHO**" comes from "Yash" (glory, success, or achievement), representing the brilliance and potential of students.
- "**DEEP**" means "light" or "lamp," signifying guidance, wisdom, and enlightenment. *Together, YASHODEEP stands for nurturing deserving students, guiding them toward success, and illuminating their path to a brighter future through education, mentorship, and skill development.*

Further, the business proposed to be carried on is mentioned as following:

### **MAIN OBJECT:**

1. To identify and support deserving students with exceptional talent and intelligence by providing assistance, mentorship, and educational resources to help them achieve their academic and professional aspirations.
2. To establish, manage, and operate programs, initiatives, and centers that offer educational guidance, career counseling, skill development, and mentorship to students facing challenges in accessing quality education.
3. To collaborate with educational institutions, government bodies, corporate organizations, and philanthropic individuals to facilitate support, training, and learning opportunities for students.
4. To conduct workshops, training sessions, and awareness programs on academic excellence, career development, personal growth, and skill-building to empower students for a successful future.
5. To provide scholarships, grants, sponsorships, and other educational aid to meritorious students to ensure uninterrupted access to education and skill development.
6. To establish and maintain libraries, research centers, digital learning platforms, and skill development institutes dedicated to supporting students in need of educational assistance.
7. To promote innovation, entrepreneurship, and leadership among talented students by organizing competitions, incubation programs, and mentorship sessions with industry experts and professionals.
8. To engage in initiatives that promote awareness about education, career opportunities, and support systems through various means, including digital platforms, social media, publications, and community outreach programs.

9. To undertake all such activities and perform all such acts as may be necessary, incidental, or conducive to the attainment of the above objectives in compliance with the all applicable laws.
